~ [Supervisors-BJFU.pdf](#)

~ [Supervisors-NWAFU.pdf](#)

~ [Supervisors-NJFU.pdf](#)

- (1) Passport information page;
- (2) Applicant's Certificate of Bachelor's degree or an equivalent degree from an accredited higher education institute in forestry or related field (English version);
- (3) The official credit transcript (English version);
- (4) A study and research plan (no less than 1000 words in English);
- (5) Language Proficiency Certification (IELTS with no less than 6.0 scores, TOEFL with no less than 79 scores or other documents that demonstrate the applicant is proficient in English).
- (6) Letters of reference in English from two professors or associate professors;
- (7) Letter of reference from the applicant's employer/organization showing the applicant's work experience in related field (only for those who has work experience);
- (8) Applicants are encouraged to find a research supervisor. The applicants who get an invitation letter from the supervisor take priorities to be awarded the scholarships. Here is the link of some supervisors available:
<http://www.studybeijing.com.cn/English/Others/Faculty/index.html>
- (9) Physical Examination Form (could be downloaded from our website), completed in English, for those who will study in China for more than 6 months. The physical examination must cover all items listed in the form. Incomplete records or those without a sealed photograph of the applicant, the signature of the attending physician, or the official stamp of the hospital are invalid. Given the 6-month validity of the medical results, applicants should select the appropriate time to take the physical examination;
- (10) Other Supporting Materials: Publications, Academic Achievements, etc.

Step 2: Apply online

- Register and upload all the application materials through the online application system
(<http://apply.studybeijing.com.cn/member/login.do>).
- Please check the system regularly. It will remind applicants of paying the application fee when they pass the first review.

Other process and admission

Admissions staff and the Faculty review teams will make a second review of the document verify the applicants' eligibility and qualifications. The result will be released on our official website around July.

The admission package, including Admission Notice, Visa Application Form for Studying in China (JW202), will be mailed to the enrolled students after the announcement. Applicants are advised to clearly state their postal address in the application system.

Coverage of scholarship grants

Admitted students will be offered the scholarship grants supported by APFNet to cover their costs and expenses including tuition fees, accommodation on campus, monthly living allowances, comprehensive medical insurance for international students in China.
