15.10.2025

### Construction of 115m length River Protection Structure Along Right Bank of Mahaweli River at the Boundary of Export Agriculture Department at Gatambe

Contract No.: DDG/TS/CON/HW/GA/GABION/45

Addendum 01

This is regarding the Bidding Document purchased with respect to the above work. The following corrections are made to Volume 02, SECTION 08, Schedule No.2 under Bill of Quantities (Page 81).

The row representing Item No. 2.17 should be changed as follows,

| Item | Description                                                                                         | Unit | Quantity | Rate (Rs.cts.) | Amount (Rs. Cts.) | Rate in Words |
|------|-----------------------------------------------------------------------------------------------------|------|----------|----------------|-------------------|---------------|
| 2.17 | Supplying and laying 3.0m x 1.0m x 1.0m PVC coated wire gabion boxes with necessary rubble packing. | Nos. | 42.00    |                |                   |               |

Revised BOQ Page number 81 is attached herewith.

The other details and conditions in the Bid document will remain unchanged.

We regret any inconvenience cause in this regard.

Eng. M.P.M. Perera

Deputy Director General (T/S)

Mahaweli Authority of Sri Lanka

Cc: Secretary (DPC)
